
REAL DEALS | September 21 - September 27

Sippy Cup >

Show your personality while swigging some joe. Are you the stylish urban type? The Sophisticate (\$29.95, also in black and brown) has a leather sleeve and push-button lid for easy drinking and cleaning. More outdoorsy? The Extreme Tumbler (\$22.95) is a rugged, stainless-steel mug that attaches easily to bags and backpacks. Both at Starbucks.
